To determine if your browser supports 128-bit encryption, click on "Help" in the toolbar of your Internet browser and click on "About [browser name]". We are not responsible or liable for the performance or operation of the equipment, hardware, software, Internet provider, Internet browser, or any part of them. We are not responsible for any error or failures from any malfunction of your Computer or any software, and we are not responsible for any computer virus or related problems that may be associated with the use of an online system. We may, at our discretion and without prior notification to you, enter into an agreement to have another third party provide online services.

Access to Services

We will provide instructions on how to use Neffs Online and Bill Payment Services. You will gain access to your Online Accounts through the use of your Internet-enabled device, your Internet Service Provider, your User ID and Password. For security purposes, you will be required to create a unique Password upon enrolling or the first time you enter Neffs Online. The bank will not have access to your password at any time, nor will we ask for your password.

Password Selection

The Password you select must be 6-25 characters long. For greater Password security, we recommend that you do not choose a Password reflecting commonly known information about you or family members, such as birth dates, children's names, parts of Social Security numbers, or repetitive numbers (all 2's or 9's, for example). Also, do not write your Password where it can be easily found. In addition, we require that your password contains at least 1 uppercase letter, 1 lowercase letter and 1 numeric character. Special characters are recommended, but not required.

Use of Your Security Password

You agree not to allow anyone else to gain access to the Services or to let anyone know your Password used with the Services. You agree to assume responsibility for all transactions with respect to your online account. You agree that we are authorized to act on instructions received through Neffs Online by use of your Password. You agree to hold the Bank harmless from unauthorized use of your password to conduct transactions online.

Upon three (3) unsuccessful attempts to enter your Password and/or User ID, your access to Neffs Online will be revoked. To re-establish Neffs Online access, you must contact us at 610-767-3875 during regular business hours or utilize the "Forgot Password" self-reset option while signing into Neffs Online. We will ask you to answer one or more questions to verify your identity.

If your Password has been Lost or Stolen

If your Password has been lost or stolen, call us immediately at 610-767-3875 during business hours, or send a message through the secure Neffs Online connection. For consumer customers, you will need to contact us within two business days after learning of the loss or theft of your password. For commercial customers, you are solely responsible for losses resulting from the unauthorized use of your password and your online account.

Banking Transactions with Neffs Online

In addition to viewing account information, you may use Neffs Online to:

- Transfer funds between your accounts at The Neffs National Bank;
- Make payments from your checking and savings accounts to linked loan accounts;
- Transfer funds from your home equity line of credit to your checking or savings account;
- Transfer funds to/from external bank accounts

- Stop payment on checks you have issued, provided the check(s) have not yet been presented for payment.

New services may be introduced for Neffs Online from time to time. We will notify you of the existence of these new services. By using these services when they become available, you agree to be bound by the rules, which will be made available to you concerning these services.

Bill Payment Services

The Bill Payment service is provided by Jack Henry & Associates ("JHA"). The Bill Payment service permits you to use your Internet-enabled device to direct payments from your designated online Bill Payment Account to third parties you wish to pay. Your Bill Payment Account must be a checking account. You may designate multiple Bill Payment accounts.

Through the Bill Payment service, you can:

- Pay bills in amounts ranging from \$1.00 to \$24,999.99 for Consumer Bill Pay customers or \$1.00 to \$250,000.00 for Business Bill Pay customers;
- Transfer funds from your account(s) at The Neffs National Bank to your account(s) at another Financial Institution;
- Pay an individual through direct deposit or Person to Person (P2P) technology.

While The Neffs National Bank coordinates the Bill Payment service with JHA, JHA performs all functions in connection with the Bill Payment service. By using the Bill Payment service, you acknowledge and agree that JHA is solely responsible for administration of the Bill Payment service.

All payments you make will be deducted from the account that you designate for that payment. Any payments you wish to make through this service must be payable in U.S. dollars to a payee located in the United States or a territory of the United States. JHA reserves the right to restrict types of payees to whom payments may be made using the service from time to time. You should **not** use the Bill Payment service for the following types of payments:

- Securities purchases;
- Collection agencies;
- Court ordered payments (alimony, child support, speeding ticket, etc.);
- Payees outside of the continental United States;
- Payees located in Armed Forces postal codes (AE, AP, etc.);

Payments to these types of payees will be your sole responsibility if delayed or improperly processed or credited.

Funds must be available in your Bill Payment Account on the scheduled payment date. After funds are withdrawn from your Bill Payment Account to make a payment, Bill Payment may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

You may choose to schedule payments to recur in the same amount at regular weekly, bi-weekly, monthly, semi-monthly, quarterly, semi-annual or annual intervals (a "recurring payment"). If a recurring payment is chosen, the bill will be paid automatically each billing period. If the payment is not a recurring payment, it will be a "one-time payment". One-time payments are not made until you enter the amount of the current bill. You may also change or skip payments that are recurring payments. However, you must allow at least three (3) business days after we receive any change to information you have given us about a payee for JHA to reflect the change in its records.

When you create a new payee in the Bill Payment service, it has a temporary status until JHA has had sufficient time to set up the account, and for your business payees, verify information about your account. **You should**

schedule a payment to a new payee at least three (3) to five (5) business days before any payment due date, to allow JHA time to set up the payee and verify information about your account with the payee.

For all subsequent payments, you agree to allow at least three (3) to five (5) business days between the date you schedule a payment to be initiated and the payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). **If you do not, you will be fully responsible for all late fees, finance charges or other action taken by the payee.** If you schedule your payment and follow all instructions provided, but the payee does not receive the payment in a timely manner, JHA and The Neffs National Bank will work with the payee on your behalf to attempt to have any late fees or charges reversed.

JHA and The Neffs National Bank are only responsible for exercising ordinary care in processing and sending payments upon your authorization in accordance with this Agreement. JHA and The Neffs National Bank will **not** be liable in any way for damages you incur:

- If you do not have sufficient funds in your Bill Payment Account to make the payment on the processing date;
- If your Bill Payment Account becomes closed by the processing date;
- For delays in mail delivery;
- For changes to the payee's address, account number, or other information necessary to process a payment, unless you have advised us of the change sufficiently in advance;
- If any bill payment request you make contains an error or is a duplicate of another bill payment;
- For the failure of any payee to correctly account for or credit the payment in a timely manner;
- If you request a payment that falls outside the minimum or maximum bill payment dollar limits;
- If you have not properly followed instructions on how to make a transfer or bill payment;
- If your equipment/software were not working properly when you attempted to authorize a transfer or bill payment;
- If we or our agent reasonably believes that an online transaction was not completed;
- If withdrawals from your Bill Payment Account have been prohibited by court order, such as a garnishment or other legal process; or
- For any other circumstances beyond the reasonable control of JHA and The Neffs National Bank or their respective agents, such as computer failure, telecommunication outages, postal strikes/other labor unrest, fires, floods, and other natural disasters.

Payments made through the Bill Payment service are processed at 8:00 a.m. ET and 3:00 p.m. ET. Payments scheduled before 3:00 p.m. ET are considered effective on that business day. Otherwise, it will be considered received on the following business day. For all entries made using the Service, the time recorded by the Neffs Online service takes precedence.

Single Payments – A single payment will be processed on the business day (generally Monday through Friday, except certain holidays) that you designate as the payment's processing date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time, which is controlled by the Financial Institution, is currently 3:00 p.m. ET.

A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment's processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments – When a recurring payment is processed, it is automatically rescheduled by the Bill Payment system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next

occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment's "Pay Before" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date.
- If the recurring payment's "Pay After" option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.

Note: If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

If your Bill Payment Account does not have sufficient funds to make a payment as of the date the transfer or payment is attempted or scheduled to be made, the transfer or payment will be attempted for five (5) days. If after the fifth (5th) day there are still insufficient funds, the transfer or payment is cancelled. In all cases, you are responsible for either making alternate arrangements for the payment or rescheduling the payment through the Service.

Payments must be changed or cancelled using the service at least two (2) business days prior to 8:00 a.m. ET of the scheduled payment date. If you ask us to cancel a payment after it is issued and we agree to do so, we may charge you a stop payment fee. Stop payment orders will be in effect for a period of fourteen (14) days, unless you provide us written notice in which case the stop payment will be extended for six (6) months. After six (6) months, any stop payment order will terminate and must be renewed in order to continue in effect. The Neffs National Bank may pay any item that is presented following the lapse of any stop payment order.

You should review other disclosures received by you when you open your accounts or request additional account services with us including the charges that may be imposed for electronic funds transfers or the right to make transfers listed in the fee schedules accompanying those disclosures and the fee schedule at the end of this Agreement. The Neffs National Bank - Electronic Banking Department

We must hear from you at the specified telephone number or address no later than 60 days after we sent you the FIRST statement on which the problem or error appeared. We will need:

- Your name and account number;
- A description of the error or the transfer in question and an explanation concerning why you believe it is an error or need more information;
- The dollar amount of the suspected error and date on which it occurred.

If the report is made orally, you must then send the complaint or question to The Neffs National Bank in writing within 10 business days. We will notify you with the results of the investigation within 10 business days after you notified us. If more time is needed, however, we may take up to 45 days to investigate a complaint or question. If this occurs, we will credit your account within 10 business days for the amount you think is in error. This will allow you to use the money during the time it takes us to complete our investigation. If an alleged error involves an electronic funds transfer outside a state or territory or possession of the United States, or within 30 days after the deposit was made to an account, the applicable time periods for action by us are 20 business days (instead of 10) and 90 calendar days (instead of 45).

There may be other exceptions stated in this agreement and in other agreements with you. In no event shall we be liable for damages in excess of your actual loss due to our failure to complete a transfer, and we will not be liable for any incidental or consequential damages.
